## An International Undergraduate Philosophy Journal

*Stance: An International Undergraduate Philosophy Journal* is produced and edited entirely by undergraduate students. We aim to enrich student learning by providing an opportunity for undergraduate students to have their original scholarly work reviewed by, or published in, a peer-reviewed academic journal.

*Stance* is published annually in April. The deadline for submissions is mid-December. All papers are carefully considered in multiple anonymous reviews. Notification of initial decision is February. All authors receive constructive feedback concerning submissions.

*Stance* requires first publication right. All other rights reside with the author. Having an international standard serial number [ISSN 1943-1880-print; ISSN 1943-1899-electronic], *Stance* is registered with the U.S. Library of Congress. *Stance* is listed in *The Philosopher's Index*.
